November 9, 2020

Dear Forest Park Families, Staff and Community Members:

We received notification from the Dickinson-Iron District Health Department that someone associated with our school district – a MS/HS teacher and a high school student – has tested positive for COVID-19. While we must protect the privacy of the people involved, we believe it is best to communicate transparently with you so you can make well-informed decisions for your family.

There is nothing more important to Forest Park than the safety and health of our students, our staff and their families. We are working directly with county health officials to address this situation. They have recommended we share the following with you: If you or your student is identified as a close contact and needs to quarantine, you will be notified by the health department. If you are not identified as a close contact, you will not hear from them.

COVID-19 is transmitted through person-to-person contact and through the exchange of respiratory droplets. As more cases are being confirmed across the region, including in our community, it is important to be sensible, but to also be vigilant. Symptoms of COVID-19 include fever, headache, cough, and shortness of breath. If you or any member of your family exhibit these symptoms, please contact your medical provider for advice immediately. Symptoms usually appear 2-14 days after exposure.

Forest Park will continue to clean and disinfect surfaces inside the school. The CDC recommends the following best practices to help prevent the spread of this global pandemic:

- Wash your hands often with soap and water for at least 20 seconds.
- Use alcohol-based hand sanitizer with at least 60% alcohol if soap and water are not available.
- Avoid close contact with those who are sick.
- Cover your coughs and sneezes with a tissue or your sleeve.
- Avoid touching your eyes, mouth and nose.
- Disinfect frequently touched surfaces and objects.
- Stay home, if possible.
- If you must go out, practice social distancing, leaving at least 6 feet between you and other people.
- Avoid gathering that include more than 10 people.

We are grateful for the opportunity to serve you and your family, especially as we face this challenging situation together. Thank you for your support of Forest Park School District.

Sincerely,

Mrs. Christy Larson,  
Superintendent
