

The Forest Park Board of Education has approved the request to establish the Forest Park Achievement Hall of Fame. The board also approved five people to serve on a selection committee. The Hall of Fame will consider a wide range of people who have achieved success in any field. Anyone who attended and or contributed to the local schools including Alpha, Amasa, Crystal Falls and Forest Park from pre-consolidation to present can be nominated.

Information regarding the nomination and selection processes and other details may be found on the Forest Park website at: [www.fptrojans.org](http://www.fptrojans.org).

The committee is looking for donations from alumni, community members, and businesses to help with the startup costs for the Hall of Fame. Revenue will be needed for plaques, headboard sign, and prep work needed to prepare the south wall of the cafeteria where the sign and plaques will be located. The committee has set a goal of \$5,000.00 for startup costs. Those wishing to contribute can make checks payable to:

Forest Park Hall of Fame  
Attn: Kurt Anderson  
801 Forest Parkway  
Crystal Falls, MI 49920

Those who contribute will receive a receipt from the Forest Park School District verifying your contribution for tax purposes.
