

IT'S TIME!...

Review Your Student's Immunization Record

NOW is a good time to review your student's immunization record and schedule an appointment. Most families wait until the new school year and find it harder to schedule appointments around school extracurricular activities.

**Schedule the appointment during the summer for
more convenient appointment times.**

Schedule Now!

- Before school and extracurricular activities begin next fall
- Before your student leaves for college
- Beat the back to school rush for appointments in the fall
- While they are eligible for free vaccines
(Eligible if ≤ 18 yrs. and have no insurance coverage for vaccinations)

Visit the CDC website at <http://www.cdc.gov/vaccines/> for the complete immunization schedule.

For more information or to schedule
an appointment, call the

**Dickinson-Iron District Health Department at
(906) 774-1868 or (906) 265-9913**
