"Forest Park is great because we have friendly staff and students and many activities for students to participate in."

"Forest Park is a small school with a bunch of close knit facility, friends and family all working towards a common goal, a better education."

"Forest Park is a safe, fun environment where people can have fun while learning. All staff members are very friendly and always willing to help. Forest Park will always hold a special place in my memories and in my heart."

"It is a small school, therefore, there is a lot of support. The staff cares about their students."

"It has a zero tolerance for bullying here and the teachers are nice. The food here is awesome."

"Forest Park is a home away from home. The staff and faculty are always gracious and willing to help the students with projects and events. F.P. is a great environment to grow as a person and learn."

"The center of this small town, where all the spirit lays. The rock of the community with many supporters."

"Forest Park is a place to grow up with familiar faces every day, while being helped to learn to the best of your ability, with the atmosphere around you, it makes schooling easier and fun."

"Forest Park is like my second home. The staff are so friendly, they are like family. You will always feel at home. The education, sports and extra-curricular programs and activities are amazing."

"Forest Park has very educating classes that are made fun so you don't get too bored. We have wood shop, computers, etc. I don't like missing school here."

"Forest Park is a great community school. Our Forest Park School is a great family. We are a caring, helpful, and cheerful community. We are a wonderful choice for a school."

"Something that is great about Forest Park is our athletic program. Our athletic program is great because, due to our small school, more of our students are in sports."

"Forest Park is great because of all the extra activities after school like glee, band, art, drama, quiz bowl, and chess club. Glee is my favorite activity because I love to sing."
