

The City of Crystal Falls/WPPI Energy Public Power Scholarship

Public Power Scholarship

Eligibility guidelines

1. High school senior may submit an essay to win a scholarship. The student (or their parent or legal guardian) must be a graduating senior from the Forest Park High School.
2. High school senior must plan to attend either (1) line worker training or (2) a two-year technical college or a four-year university with a major/emphasis in electrical engineering or energy management.
3. Essays should be on the theme: ***Our Community Connection: The Value of Our Municipal Utility***. Essays should be between 500 and 1,000 words — typed and double-spaced — and include the following information on the cover:
 - Student's first and last name
 - Home address
 - Phone number
 - Name of parent or legal guardian
4. Please submit all essays to the high school guidance office.

Resource Materials

Information about public power is available at libraries and on the Internet. Web sites of particular interest include our wholesale power supplier WPPI Energy at ***www.wppienergy.org***; the American Public Power Association at ***www.appanet.org***; and the Utilities Connection at ***www.utilityconnection.com***.
