

Gordon and Patricia Marcinak Endowment

Forest Park Schools

The Gordon and Patricia Marcinak Endowment award is to a Forest Park Graduate enrolled in a business curriculum expected to lead to a bachelor degree, or higher, at an accredited college or university. In the event that there are not enough qualified applicants in the business curriculum, then students seeking a bachelor degree, or higher, at an accredited college or university in science, technology, engineering, and/or math (STEM) program(s), will be considered.

The amount of the scholarship is variable, awarded after the successful applicant has enrolled in their second (2nd) year of college or university study in their qualifying field.

Application Requirements

1. Completion and submission of the Student Application Form,
2. Copy of high school transcript through the seventh semester demonstrating a G.P.A. of 2.5 or greater,
3. Copy of the applicant's current college/university transcript demonstrating a G.P.A. of 2.5 or greater,
4. Personal statement, which includes their comments on how their field of study relates to this Scholarship,
5. A minimum of two (2) consecutive years in high school sports, and/or two (2) consecutive years in an extracurricular activity that includes, but is not limited to band, drama, glee club, student council, etc.,
6. From a teacher or non-family person familiar with the student, a reference letter acknowledging that the student has demonstrated good character and is a good citizen of the school and community, reciting specific examples of such traits.

Eligibility Requirements

1. Enrollment in second (2nd) year of college or university in qualifying field.
2. Minimum 2.5 high school and college/university G.P.A.
3. Completion of the application requirements.
